To The Class of 1994:

It is hard to believe that four years have passed since you arrived for the first day of school in September 1990. You have changed in so many ways since our first meeting in the field house!

I have enjoyed participating in your class activities. I will always remember fondly your spaghetti supper and mystery auction. This activity symbolized your desire to establish new traditions and make your mark on Peabody Veterans Memorial High School.

I hope that each of you has many fond memories of your high school career. One can never forget that teacher who was a special inspiration or the coach who challenged an athlete to achieve his personal best. You have been fortunate to have so many adults here at PVMHS who truly care about you.

Graduation ceremonies are our way of recognizing all that you have achieved and represent the beginning of a new phase of your life. I look forward to congratulating each of you at this year's ceremonies.

On behalf of the faculty and staff of Peabody Veterans Memorial High School, I wish you happiness and success.

Sincerely,

Joan Carr

IN MEMORIUM

Dr. Roy Faria
1937-1994

"His life was gentle, and the elements so mixed in him that nature might stand up and say to all the world, "This was a man."

Shakespeare
***Julius Caesar*—Act V, Scene V, 1.73-5**

IN MEMORIUM

Margaret Johnson
Business Teacher
1934-1994

WHEN WE THINK OF YOU, WE THINK OF YOUR CARING MANNER, YOUR HUMOR AND YOUR COMPASSION . . .
ALL THOSE THINGS THAT ARE SO MUCH A PART OF YOU.
WHEN WE THINK OF YOU, WE THINK OF YOUR COURAGE AND QUIET STRENGTH
THAT MADE IT POSSIBLE FOR YOU TO KEEP GOING . . .
EVEN WHEN THINGS WERE TOUGH.
WHEN WE THINK OF YOU, WHICH WE OFTEN DO THESE DAYS
WE THINK OF HOW YOU HAVE MADE SUCH A DIFFERENCE IN OUR WORLD . . .
BUT MOST OF ALL, WE THINK OF HOW MUCH YOU MEANT TO US.

(Adapted from a poem by Bill Webb)

To The Class Of 1994,

As Your Senior Class Officers, We Would Like To Thank You One Last Time For These Special Four Years.

We Hope You Have Enjoyed Your Years At Peabody Veterans Memorial High School. This Valuable Time Has Quickly Passed Us By, And We Will Always Remember It With The Fondest Of Memories. We Have Helped Each Other Through The Good Times And The Bad. These Friendships Will Last Forever And The Tight Bonds Which We Created Will Never Fade Away.

It Is Now Time To Engage In A Whole New World. Whether You Are Going On To Higher Education Or You Are Going Straight Into The "Real World," We Wish You The Best Of Luck With Your Future Endeavors. Set Your Goals High And Reach To Accomplish Them. Aim High . . . . You Deserve It.

Good Luck.

Your Class Officers,

Jodi Vitiello - **President**
Constance Pappagianopoulos - **Vice-President**
Carrie Hoffman - **Secretary**
Sean Flangan - **Treasurer**

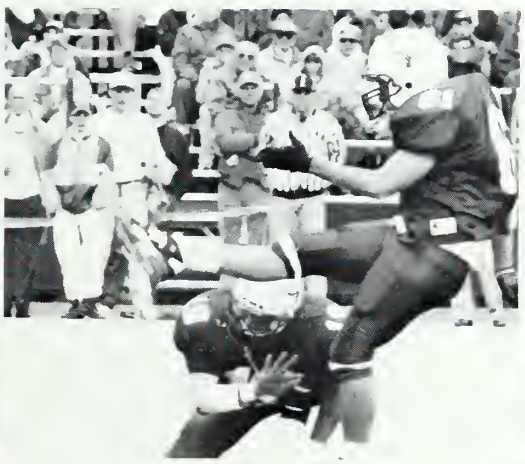
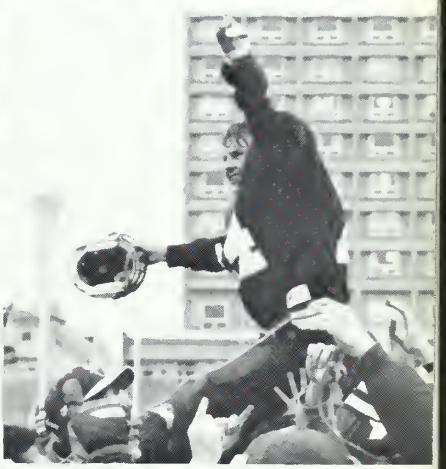
Super Bowl Champions





Super Bowl Champions

The 1993 football team traveled to Boston University's Nickerson Field where the team ended its story book season with one of the greatest win in the history of Peabody High School. The Tanners ended the regular season with a six game winning streak, the team carried this momentum into its fourth superbowl appearance in 10 years. Facing a difficult St. John's Prep team, the Tanners worked hard and fast in dashing any hopes that St. John's Prep had of a victory. The final score of 36-0 proved that St. John's Prep was far outclassed by the Peabody Tanners. The Tanners were not going to let any team ruin their dream of capturing the Division 1B Superbowl Championship. Great job on a fantastic season.

Super Bowl Champions

The 1993 Peabody High School Football team began its season being one of the most underrated teams in the state. After the teams tough opening loss to Salem, the team came on strong. Led by co-captains Scott Marcoulier and John Vargas, the Tanners finished atop the GBL with a 8-0-1 record. The team clinched the GBL title with a 24-7 victory over the highly ranked Waltham Hawks. This victory created a birth in the division 1B Superbowl. The Tanners ended their season 9-1-1 with a convincing 36-0 win over the previously nationally ranked St. John's Prep.

The 1993 Tanner's Field Hockey Team was of the best teams seen in the past few years. Even though they didn't win too many games they had great spirit and gave 100 percent. The team is losing nine outstanding seniors. They were fortunate enough to have three seniors chosen to the G.B.L. All-Star game: Kathy Longworth, Stephanie Senese, and Raeann Evitts.

The Seniors, this year, want to thank Ms. Benoit and wish good luck to next year's team, which will be led by Erin Whalen, Kristen Odoardi, and Dawn Evitts.

The Peabody High Boys basketball team was led by senior captain Brian Crocker. The Tanners struggled this year with a record of 7-13. They lost a lot of people due to graduation. The hustle and determination is what made this year's team special under coach Jim Geanoulis.

The Peabody High Girls Basketball team lost 8 seniors to graduation last year. They had a tough time living up to last years squad, but still managed to remain atop the G.B.L. The Tanners went 18-2 overall and headed to the tournament for the 14th consecutive year. They lost in the semi-finals to Acton-Boxboro last year, but are looking to go further this year. Co-captains Shannon Russell and Kerry Newhall will lead the team.

Sousa, P. Ceruolo.

The Peabody High Hockey team skated through a rebuilding season in 1993-94. Before the season started, the Tanners lost many key players for different reasons. With only six players returning with Varsity experience, the Tanners finished eight points behind last years record, with a record of 6-11-2. Due to inexperience and youth.

The Tanners backbone came from their strong defensive play of Senior Captain Matt Williams. The offensive attack was provided by sophomore defenseman Ryan Penney. Transferring from prep schools were junior defenseman Keith Howcroft who was a welcomed addition to the team, along with senior Eric Gould and his blistering slapshots from the right wing. After taking a season off, seniors Tim Alexuk and Steve Racki returned to the ice for their best high school season ever. Senior Mike Nowlan came out of goal to play wing leaving Junior Paul Ceruolo in net. Ceruolo kept the Tanners in every game, making some incredible saves throughout the season. CO Captain Dennis Goncalves was injured halfway through the season with a broken collarbone, after having an incredible start. Coach Gill looks to continue rebuilding his team for the 94-95 season.

For the first time since 1989, the boys indoor track team captured the GBL title. Led by captains Aaron Horowitz and Rick Provost and seniors, Matt Stein, Scott Marcoulier, and Brian Fallon, the Tanners successfully completed an undefeated season at 8-0.

Several juniors and underclassmen were also huge contributors to the team. Steve Langis, Dan Davis, Nate Thompson, Rafael McDonald, and Matt Dowling led the distance team while Chris Duso, Louis Algarin, Kevin Collins, Elias and Ruben Reinoso led the sprinters.

Special thanks are owed to the coaching staff. Without the tireless efforts of head coach Phil Sheridan and assistant coaches Tricia MacGregor, Mike Eon, and Neil Hagstrom, the season could not have been the success that it was.

This year could not of been more exciting for the Seniors as well as the rest of the squad. We started the season off in May, practicing hard for the U.C.A. Cheerleading Camp we attended. Our hard work payed off when we won many awards for our performances. We continued practicing for the remainder of the summer. We stayed out in the ninty degree weather so we could be the best we could. Our first game, we lost. But that did not stop our spirits. The team went on from win to win, as we cheered them along. We finally ended the season with a Super Bowl win against St. John's Prep. It was the best season ever.

Good bye and good luck to our graduating seniors; Joy, Stacy, Danielle, and Kerry.

Thanks for a great year!!

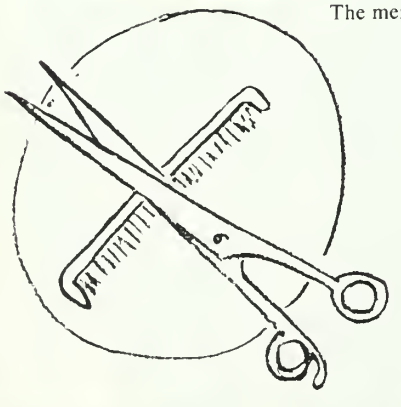
"I hear and I forget,
I see and I remember,
I do and I understand"



The members of the Cosmetology Class of 1994 believe that the past two years at Peabody High School have taught us to appreciate the potential of our creative abilities, to accept each other for who we are, to interact with clients, young and old, and most of all to know ourselves as individuals. Cosmetology at Peabody has given us the confidence to pusue our academic and professional goals.

We would like to dedicate these two pages to Mrs. Coy and Mr. Hurton for making the past two years a positive experience. Our sincere congratulations to all the seniors . . . . . .

CLASS HISTORY

It was September 1990. A group of incoming freshmen filed into the fieldhouse. Their names were called to go with their new home room teachers, to start new experiences, and to learn the real meaning of high school life. This day was our first day of school. This group of freshmen are now the seniors of the class of 1994. We have gone through many changes throughout the four years we have spent together. Some were good and some didn't seem so good. We grew up together and now it is time to start another chapter of our lives. A chapter where we will not be together to stand as one, but where we will set forth alone knowing that we have made friends good enough to fall back on. The class officers of our freshman class were Carrie Hoffman - President, Stacie St. Pierre - Vice President, Eleni Xenakis - Secretary, and Jodi Vittiello -Tresurer. Our class officers planned our First Annual Spaghetti Supper which carried throughout our four years of high school. Also, they planned our first Car Wash.

Freshman year was our primary taste of reality. For the first time we saw pregnancy and death as real. Though some of these things were closer to home than others, they were there and they played a great part in our lives then and forever.

By the time our sophomore year came around, we had pretty much learned our way around the building. Everyone was getting their permits, warning everyone else to get off the sidewalk. This was the first year of our Halloween Party. The Party was held at the Italian American Club with the freshman Class of '95 and planned by our class officers. The President was Aimee Terban, Vice President was Stacie St. Pierre, the Secretary was Carrie Hoffman, and the Treasurer was Amy Bishop. Our Second Annual Spaghetti Supper, a great success, brought in a greater crowd than the year before.

The annual Car Washes became a social gathering for many members of the class. Although the work was hard, those who participated had fun. This was also the first year of the school-wide Homecoming Dance. A good time was had by all and the glimmer of expectancy for the Junior Semi shone bright in our eyes.

Our Junior year was very special. We went through the joys of SATs. Most of us got our licences. We were given lounge instead of Study. The Class Officers were Jodi Vitiello- President, Constance Pappagianopoulos- Vice President, Carrie Hoffman- Secretary, and Sean Flanagan- Tresurer. We had a Halloween Party at Prince of Pizza. As Juniors, we looked forward to the Semi and Prom. Our Junior Semi was held on February 14, 1993 at the Peabody Marriott. This was a great first formal social event. Finally, came the big one- the Junior Prom. Long Dresses, bow ties, limos- it was so exciting! It was held on June 18, 1993 at the Danversport Yacht Club. Oh, what a night! The night we will remember for the rest of our lives.

Then, the final year came around; we were Seniors. All of a sudden Seniors didn't seem to be so big anymore. At the Halloween Party there was a mystery man. Mr. Terlizzi dressed up to surprize us. This year our rivalry with St. John's Prep was at it's peak. We beat them in football to regain our title and become the 1993 Division 1 Superbowl Champs. The Prep beat us in a fantastic game of Soccer, probably one of the best games anyone has ever seen.

Our class experienced a devastating loss - Lounge. The Cafeteria was now divided into four Caf-Studies. Our Senior Semi was held on January 16, 1994 at the Daversport Yacht Club. It was another great evening of the Class of '94. Of course, we had our annual Car Washes, as exciting and social as usual. We had our Fourth Annual Spaghetti Supper, bringing in the greatest crowd we had ever seen. We had our Talent Show - the Class of '94 had some talent!

Then there was our last night together, June 2, 1994. This was the last night where we sang and danced together as one class, the Class of 1994. Our Senior Prom was held at the Westin Hotel in Waltham. We will never forget the laughter we had that night, and will always remember the tears of joy and sorrow that we shed.

As we look back to our freshman year, we remember the fear we felt that day we entered the school. We will now, once again feel the same fear we felt that day. But for the moment we must turn the emotions into laughter and joy. We will always remember the day we met as freshmen, and we shall never forget the day we left as the graduating Class of 1994.

We must not forget Mr. Hallinan. He was with us through the four years of our high school career. He helped us to plan the many events which we held. Could you imagine a group of high school kids trying to manage themselves by themselves? Neither could he. So, Mr. Hallinan gave up a great amount of time, his time, to help us. He kept us out of debt and stayed on top of everything that was going on. We could not have had a better advisor. Our sincerest thanks go out to you, Mr. Hallinan!! We must also thank Mrs. Evans who kept Mr. Hallihan organized and under complete control. Thanks to both of you!!

And now, standing with you are your fellow classmates of the graduating Class of 1994. You may never see again some of us with whom you spent the past four years of your life. Right now most of us are feeling nervous about what is to come next, being college or work. Most of us are excited to finally be out of high school. Most of us feel sorrow to be ending this chapter of our lives. But, we must not think of it as an end, just a beginning of the next chapter.

At this moment, we are at a fork in the road of life. We must choose which path we are to take. This choice we will carry with us forever. We may feel alone through this process, but we must remember the good friends we have come to gain through the past four years of school. These friends have been there for us through good times and bad. They will not leave us now in our time of need.

If there is one thing we remember of our high school years, I hope that it would be the joy and happiness that we experienced. Always remember to strive for the future, but do not forget the past. The past is what brought you to the future. Never forget to hold onto your dreams and your feelings and always be yourself, because the world is full of many different people and you are one of them. Stand strong, stand tall; it's a jungle out there! Take care of yourself, and be careful.

I would like to remind you of a few things before you leave. No matter how bad it gets, there is always someone who is worse off. Keep your head up. Do not get down on yourself - it only makes things worse. And never forget "Keep smiling, keep shining, knowing you can always count on me, for sure, THAT'S WHAT FRIENDS ARE FOR!"

GOOD LUCK TO THE CLASS OF 1994!!!
